REQUEST FOR EXAMINER TO INITIAL REFERENCES ON FORM 1449

Mail Stop Non-Fee Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In the Office Action dated October 3, 2003, the Examiner returned copies of Applicants' Information Disclosure Statement filed September 13, 2002. However, a Supplemental Information Disclosure Statement and Form 1449 citing eight references was filed on March 19, 2003. Applicants have not received notification that these documents have been considered. The absence of an initialed PTO Form 1449 is believed to be an oversight as this material was submitted in a conforming manner and was not mentioned in the Examiner's Detailed Action as not being in conformance and not having been considered. The Examiner respectfully is requested to initial the Form 1449 in the space provided to indicate these documents have been considered.

Copies of the relevant sheets of the Supplemental Information Disclosure Statement in question and the return post card having a Patent and Trademark Office date stamp of March 24, 2003 are enclosed to avoid any confusion. Copies of the references are not enclosed. However, if the Examiner deems it necessary, copies of the cited prior art will be resubmitted.

The Examiner respectfully is requested to telephone the undersigned if there is any question about the Request.

Respectfully submitted,
